

Chloe Mitchell

Department of Psychological & Brain Sciences, Indiana University

Email: mitcch@iu.edu | Phone: 423-364-5666

EDUCATION

Indiana University
Psychology Ph.D. Student
Advisor: Kurt Hugenberg, Ph.D.

Bloomington, IN
Expected May 2030

University of Tennessee
B.A. in Psychology, Summa Cum Laude (GPA: 4.00)
B.S. in Neuroscience, Summa Cum Laude (GPA: 3.94)
Minor in American Sign Language

Knoxville, TN
May 2025
May 2025

University of Tennessee
Neuroscience Study Abroad
BCMB 420: Circadian Rhythms
PSYC 491: Multisensory Perception

London, UK
Jun 2023 – Jul 2023

RESEARCH INTERESTS

Face processing
Social perception
Stereotyping & prejudice
Perceptual judgments
Eye-tracking

POSTERS & PUBLICATIONS

Mitchell, C., Sheets, K., Segers, M., Jones, T., & Ross-Sheehy, S. (2025, April 15). *Habituation and Facial Feature Fixation: Examining Looking Differences in Infants and Adults*. [Poster presentation]. EURēCA Undergraduate Research Symposium, Knoxville, Tennessee.

Sheets, K., Segers, M., Jones, T., **Mitchell, C.**, & Ross-Sheehy, S. (2025, May 16). *Don't stop believin'—in the link between efficient scanning and working memory capacity*. [Poster contribution]. Vision Sciences Society, St. Pete Beach, Florida.

RESEARCH POSITIONS

Infant Visual Cognition Lab | Undergraduate Researcher

Jan 2024 – May 2025

Mentor: Dr. Shannon Ross-Sheehy, Ph.D.

- Independently used eye-tracking technology to run infant and adult participants through visual working memory tasks.
- Coded time and outcomes of infant visual working memory task trials, helping to organize data for analysis.
- Pioneered independent project focusing on visual working memory of faces, examining visual scanning patterns and working memory capacity correlation.

Group Attention & Behavior Lab | Undergraduate Researcher Aug 2023 – Dec 2024

Mentor: Dr. Garriy Shteynberg, Ph.D.

- Analyzed social group dynamics via scholarly article discussions at lab meetings.
- Ran adult participants through a variety of social perception tasks, including both single participant and multi-participant tasks.
- Used problem-solving skills to mitigate any unexpected behaviors from participants during tasks.

Healthy Connections Knoxville | Undergraduate Researcher May 2022 – Dec 2022

Mentor: Dr. Kristina Gordon, Ph.D.

- Edited transcripts from qualitative interviews, utilizing encryption services to conceal identifying information.
- Made informative graphics regarding how to foster healthy relationships, using design techniques and citing scientific sources.

AWARDS AND HONORS

Volunteer of Distinction	2025
EURēCA Achievement Award	2025
Excellence in Research Cord Recipient	2025
Dean's List	2021, 2022, 2023, 2024, 2025
Phi Beta Kappa (elected as a junior)	2024

FELLOWSHIPS AND GRANTS

IUB Gordon-Kato Fellowship (\$27,000)	2025
IUB Gordon-Kato Summer Fellowship (\$3,000)	2025
UTK CGE Study Abroad Scholarship (\$750)	2023
Tennessee HOPE Scholarship with GAMS (\$18,300)	2021

PROFESSIONAL EXPERIENCE

Certified Licensed Pharmacy Technician | Kroger Pharmacy 2021 – 2025

- Worked with pharmacists to meet patients' needs, including filling prescriptions, resolving billing issues, contacting prescribers, and maintaining pharmaceutical inventory.
- Built relationships with patients, using American Sign Language to fulfill prescriptions for Deaf individuals.

LEADERSHIP AND ACTIVITIES

oSTEM President	2023 – 2025
Veganteers Member	2021 – 2025
Advancement of Neuroscience at UTK Member	2023 – 2024
American Sign Language Knoxville Member	2023 – 2024

Pride Center Peer Mentor Program | Peer Mentor
Society of Future Women in Medicine | Member
Pride Prom Planning Committee

2022 – 2024
2022-2024
2022

CERTIFICATIONS

CITI Training for Research Groups
Pharmacy Technician Certification Board, CPhT

2024
2024

UNDERGRADUATE COURSEWORK

STAT 201: Introduction to Statistics
PSYC 294: Psychology Research Methods Lab
PSYC 295: Research Methods in Psychology
PSYC 301: Foundations of Behavioral Neuroscience (*in progress*)
PSYC 310: Learning and Thinking
PSYC 320: Motivation (*in progress*)
PSYC 330: Abnormal Psychology
PSYC 360: Social Psychology
PSYC 471: Psychology of Prejudice (*in progress*)
PSYC 489: Independent Research in Psychology
PSYC 491: Multisensory Perception
CHEM 260: Organic Chemistry I
CHEM 360: Organic Chemistry II
BIOL 240: Genetics
NEUR 200: Neuroanatomy
BCMB 415: Foundations of Neurobiology

RESEARCH SKILLS

Experiment Builder
Data Viewer
EyeLink 1000 Plus
BioPac ECG System
Datavyu
Basic R
Qualtrics
SONA
Microsoft Office Suite
Proficient in American Sign Language (6+ years)
